

# We Need Your Help ~ Save Our Barber Valley Foothills Conservation Campaign Update for All Barber Valley Residents

**Mill District Clubhouse, 7pm, Wednesday, 5 April, 2017**

One of the last remaining private parcels of foothills property in the Barber Valley is for sale. Together we can demonstrate our commitment to preserving an iconic foothills parcel by coming together to purchase and conserve the Ramaker property. Please join the team! We will provide an update on the fundraising campaign and welcome your pledge to help us purchase the property. This may be our last chance to determine what happens in the foothills just above our homes and within view from nearly every corner of our Barber Valley.
